Christmas is here!

Our favourite time of year may be a little different for 2020 but 'tis the season to be jolly and we hope everyone can experience some much-needed yuletide joy.

We may be keeping apart, but our town centre community is together in looking after you while you're out and about in Camberley. Enjoy the magazine and we wish you a lovely Christmas and new year.

COLLECTIVELY Camberley

A message from Collectively Camberley Business Improvement District (BID).

This year, Camberley town centre has faced disruption in a way that was previously unimaginable. With many of our businesses having to close for long periods of time, and reopen with reduced footfall and expensive safety measures, your support as a visitor and shopper has never been more valuable. Camberley town centre has continued to work hard to ensure that your experience has been safe and pleasant, and we look forward to welcoming you for the festive season.

As per previous years, we shall be celebrating Small Business Saturday, a national campaign to support our independent businesses. On Saturday 5th December, we encourage you to visit one of Camberley's 70+ small businesses - perhaps one that you have never been into before? You will be surprised at what discoveries you may find!

We have recently launched the Love Camberley Gift Card scheme, which can be used in many of your favourite national and independent stores. This is the perfect gift for Christmas, allowing the recipient to choose where they spend it, as well as supporting your local town centre businesses.

From £5 to £500, you can purchase a gift card as a stocking filler, for a Secret Santa or as a special present for a loved one. You can buy a gift card online at camberleygiftcard.co.uk or from the Customer Service Desk within The Square Shopping Centre.

In the lead up to Christmas, we will be running several activities and competitions for you to get involved with - all with gift cards as prizes. Keep a look out on our social media sites for these at [@LoveCamberley](https://www.instagram.com/lovecamberley).

We had to cancel many of our regular and well-loved town centre events this year, such as Armed Forces Day, The Rooftop Film Festival and The Car Show, but this does not mean that we cannot still celebrate Christmas. Now, more than ever, businesses and visitors need some festive cheer!

Join us on Saturday 21st November and Saturday 19th December for our Collectively Camberley Christmas Celebrations. There won't be a Christmas light 'switch on' moment, but from 10am - 4pm on Park Street, we will be adding music and street entertainers to our Christmas Farmers' and Artisan Markets.

On behalf of the Camberley Town Centre BID businesses, we would like to thank you for all of your ongoing support and look forward to seeing you, at a social distance, very soon. Have a very Merry Christmas and stay safe.

QUALITY TIME IN Camberley

During the winter months, when the days are shorter and the weather isn't quite guaranteed, there's nothing better than putting a cosy date night in the diary. Whatever it is you like doing, Camberley is bound to offer something for you to enjoy the perfect night out.

Food & Drink

Camberley is rich with amazing flavours and this Christmas is no exception. Set the (cocktail) bar high and book in at Sorelle's for exquisite Asian cuisine and drinks served in an impressive setting.

Trouble picking what to eat? Just order it all at El Pic for some of the tastiest tapas in town! There's lip-smackingly good food at Rotisserie Corner and if only we could live at Old Thai House...

Places to pamper yourself ahead of your evening...

- Alex Barber Shop
- Beauty by Fabi
- Jacks of London
- Kingsley's Barber Shop
- No Ordinary Salon
- Osheen
- Rush Hair & Beauty
- Serenity Beauty

Other leisure for your pleasure

Camberley Theatre has some great comedy nights in December, plus there are lots of seasonal markets to get you into the spirit.

See page 7 and 14 for more details.

Influencer Amy Blaker and her partner James enjoyed date night at The Atrium.

 @amyclaireblaker

We headed to an early showing at VUE for the first time since before COVID. From high-tech hand sanitisers located around the cinema, to socially distanced seating arrangements, we felt completely safe with the measures that had been put in place.

Must-have snacks: You can't NOT have popcorn and a Tango Ice Blast at the cinema, right!?

We then headed for dinner at Bill's on Park Street and wore masks on arrival. We were greeted by very friendly staff, also wearing coverings, who showed us over to our candlelit table. The tables had been distanced appropriately and clear screens had been put up throughout the restaurant where needed.

It was so lovely to enjoy the ambience of being back in a busy restaurant, drinking cocktails and eating some delicious food.

I went for the Mojo Marinated Chicken Skewers and James had the Steak and Eggs, which came with a side of fries. For pudding we shared the Triple Chocolate Brownie and the Warm Banoffee Doughnuts – delicious!

We had a fabulous evening and can't wait to visit Camberley again!

Christmas DAYS OUT AT THE ATRIUM

We invited local mum of two Lindsay Kennard, aka The Rustic Mother, and her family to experience some of the fun The Atrium has to offer.

Keeping our boys entertained has always been a challenge. They have bounds of energy and love to keep busy, so we are continually on the lookout for family activities. With all the recent changes, finding safe, family-friendly environments where the boys can be relaxed and comfortable has been important to us.

When we visited The Atrium, it was reassuring to see the clear guidance regarding social distancing and face coverings, as well as regular sanitising stations. With all the shops, restaurants and leisure facilities open there was plenty for us to choose from.

Our first stop was Pirates Landing; a large soft play, perfect for my active little ones. I'd recommend booking ahead as it's currently operating with timed play slots. Our temperatures were checked before entry and masks were compulsory for adults while moving around. The boys had an amazing time, barely stopping for a drink and snack. They particularly loved climbing up the soft play levels before rocketing down the slides. If I'm honest, the hardest part was convincing them to leave.

After, we wandered the shops before heading for lunch at Wildwood. On entry there was clear COVID guidance and the restaurant felt open and spacious, with all diners well separated from each other. It was family friendly with a great children's menu, as well as a delicious selection for the adults - the most important part!

We finished the day with a trip to Tenpin bowling, where the lanes in use were well spaced, face coverings were essential, unless eating or drinking, and you wore your own shoes. The boys were mesmerised by the atmosphere of lights and music.

They enjoyed their first taste of bowling before taking a wander around the buzzing arcade.

We had a fantastic family day out, with a little something for everyone (partners included). I would certainly recommend it as a great way to keep the whole family safe and entertained during Christmas and half-term holidays.

CAMBERLEY INSPIRED

Surrey Heath Borough Council continues to lead on projects transforming retail and leisure spaces across Camberley town centre to create a vibrant, contemporary place for everyone to enjoy.

Camberley High Street, Princess Way and Knoll Walk are currently being improved with new pavements, road surfaces, lighting and street furniture.

Ashwood House is being transformed into 116 new flats and new ground floor retail space.

The new Places Leisure Camberley centre is under construction. Due to open in Summer 2021, the centre will bring two swimming pools, sports hall, fitness studio, health suite, climbing walls and adventure play area to Camberley.

The Square shopping centre had a £8million makeover following SHBC's purchase of the building. Now it has new flooring, lighting and shop facades.
