THE
SQ
CAMBERLEY

Welcome

to the Collectively Camberley Car Show 2026!

Thank you for joining us for the 15th year of the annual Collectively Camberley Car Show, a unique event in the calendar where we welcome all cars and car lovers to our town for a day of celebration.

In addition to being a brilliant day for our Town, the event plays an important role in raising funds for charities and good causes with more than £80,000 raised by the Car Show throughout the years. We're pleased to say for 2026 that we are continuing our partnership supporting The Kidney Fund charity. You can find out more in this programme about this incredible charity and the vital work they do.

The brilliant "Sporting Bears" are back to offer their 'Dream Rides' in an array of super sports cars based on Obelisk Way at the top of the High Street. The Dream Rides will support raising further funds for local charity Chloe & Sophie's Special Ears Fund alongside Kidney Research UK.

Whilst you are on the High Street, be sure to visit Howden's Stand which returns for 2026 offering free giveaways and a chance to win a Auto Finesse Car detailing Kit when you share a renewal date with them! Be sure to visit them or scan the QR code on their advert found in this programme.

KIA Westend Garage have returned this year as a key event partner and will have their "pop up" showroom on Park Street. They will also be hosting family activities throughout the day including free balloon modelling.

The Atrium and The Square will be hosting the return of the amazing Transformers Characters, including Bumblebee and Optimus Prime, so make sure to call in and see them all!

We have some new categories for our car show awards this year, recognising the craft and modifications that go into many of the cars on show, whilst also catering for old and new cars alike with all attendees entered. The awards will be judged, amongst others this year, by The Mayor of Camberley, Councillor Cliff Betton, a keen car enthusiast and we're hugely grateful for his time and effort. The awards will be presented on Park Street at approximately 3pm where we hope you'll join us.

Finally, we would like to say a huge thank you to all the people that make this event possible and help keep everyone safe on the day. The Camberley BID businesses that fund this event, the amazing security team and first aiders, all of the stewards and volunteers and YOU, all the people who attend and donate and make this event special every year. We hope you enjoy today's event and be sure to come back again next year!

Love the Collectively Camberley Team

ABOUT COLLECTIVELY CAMBERLEY

Collectively Camberley is a not-for-profit organisation who are funded by and work for over 350 businesses within Camberley Town Centre. We were the first Business Improvement District to be established in Surrey 15 years ago, with our mission to make Camberley a destination of choice for shoppers and visitors, as well as a thriving location for residents and businesses alike.

We are responsible for large town centre events such as the Collectively Camberley Car Show, Camberley Armed Forces Day Celebrations and Summer Events and Programmes.

We oversee hanging baskets and floral displays around the town centre, many of the Christmas Lights installations and also manage the annual Business Awards promoting and celebrating local business and people.

We also promote the town via social media and our website as well as offering support and services for businesses. Follow us on @LoveCamberley to keep up to date with all things Camberley!

On behalf of Collectively Camberley and all of our businesses, we hope you enjoy your visit to the town and we look forward to seeing you again.

The Kidney Fund is a patient driven charity dedicated to funding research to improve diagnosis and care of patients with kidney disease and hopefully contribute to finding cures for chronic kidney disease.

Established in 1989, The Kidney Fund (formerly known as the South West Thames Kidney Fund), represents the interests of kidney patients from Croydon to Camberley and Carshalton to Crawley, covering Surrey and South West London with a population of over 2 million people. In 1998 Lord Rogers of Riverside opened the South West Thames Institute for Renal Research (SWTIRR), a dedicated research institute funded by the Kidney Fund. The Fund continues to support the Institute and to fund research fellows to carry out the lifesaving research.

The Kidney Fund relies on the kindness and generosity of kidney patients, their families and their friends to continue their work and research. We would like to thank Collectively Camberley for their continued support in our fund raising efforts through the Annual Car Show.

We look forward to welcoming you at our gazebo located on Park Street where you can find out more about our work. Donations can be made today in the red donation buckets around the town and also online by visiting: www.kidneyfund.org.uk/donate.html

SPORTING BEARS DREAM RIDES

The Sporting Bears are a dedicated group of classic car and sports car enthusiast's with one primary aim - to raise money for children's charities through offering "Dream Rides ©" in their amazing cars in exchange for a donation. Since the Club was formed in 1989 they have raised over £3,000,000 for children's charities in the UK.

100% of your donation today goes to our chosen local charity; The Chloe's and Sophie's Special Ears Fund, as the drivers and volunteers donate their time, cars, fuel, insurance, etc.

How it works:

1. Please visit the Sporting Bears stand on Obelisk Way
2. Browse the "Cool Wall" and decide which of the amazing 20 cars you'd like a passenger ride in
3. Note the number and suggested donation, and remember the amount is PER CAR not per passenger, so feel free to use all the available seats with your family & friends!
4. Go to the lovely people on the booking desk and book your Dream Ride for the time of your choosing during the day
5. Enjoy your ride, ask as many questions as you like, make lot's of noise and take lots of pictures!

CHLOE'S AND SOPHIE'S SPECIAL EARS FUND

Chloe's and Sophie's Special Ear Fund brightens the lives of Deaf children. Our practical and emotional support helps Deaf children overcome barriers that prevent them from accessing the same opportunities as their hearing peers. In the UK right now, 40% of Deaf children battle mental health problems, compared to 25% of hearing children.

The average reading age of a Deaf child when they leave secondary school is nine. CSSEF comes together to change this. We work to combat the barriers that can prevent Deaf children from thriving.

We do this through:

- Raising Deaf Awareness to improve social inclusion of Deaf children in schools.
- Enhancing the sound acoustics in classrooms and school halls so that Deaf children have equal access to education, through specialist equipment and materials.
- Improving emotional and social wellbeing through the provision of resources and equipment that enable Deaf children to be children. This could include a bike helmet that can be worn over hearing aids or a water cover for an aspiring swimmer with cochlear implants.
- Creating a supportive network of families at Deaf Hub and an inclusive program of activities, building an improved mental wellbeing and reducing feelings of social isolation.

Funding access for parents of Deaf children to learn BSL Level 1 and Level 2 so that families can communicate without feeling frustrated.

We currently support 400 families across Surrey, Berkshire, Hampshire, London, Wrexham, Flintshire and Denbighshire. With over 700 Deaf children in Surrey our mission is to make an everlasting positive impact on their lives to today, tomorrow and beyond.

Hassle-free car rental at West End Garage Kia

Whether you need a car for just the weekend or a week, WEGo Rental from West End Garage offers you a wide range of Kia cars. Fully insured (excess applies) during the course of the rental.

WEGo Rental lets you choose from Kia's extensive range of models. From our versatile Sportage to one of our award winning electric vehicles, you are sure to find the model that suits your needs and budget.

- Wide range of models available
- Flexible rental periods
- 24 hour breakdown cover
- Fully insured (excess applies)

CAR HIRE

LIVE ENTERTAINMENT

Jen Merchant

Jen is a professional vocalist available to sing a range of jazz, swing, soul / motown and pop. Jen performs at many of our events and occasions and will be performing at the Park Street performance area at various times throughout the day.

Paul Anthony

Paul specialises in the classic music of the "Rat Pack" and will be performing at the High Street performance area at various times throughout the day.

Transformers

The Transformers return for our 2026 show following their huge popularity at last year's show! They'll be visiting both the Atrium and The Square Shopping Centres at various times throughout the day as well as taking a stroll around the town centre streets. Please follow our social media @lovecamberley for appearance times.

Face Painting

Thanks to the generosity of SpecSavers Camberley, who have sponsored this activity, FREE face painting will be available all day. Make sure you visit them on Princess Way and pop into SpecSavers whilst you're there to find out more about their services and current offers.

Balloon Modellers

Visit the Kia Westend garage Pop Up Show Room on Park Street where we'll have FREE balloon modelling hosted all day. Our talented balloon modellers will also be roaming around the town throughout the day so keep your eye out for them!
